The Deputy Inspector-General of Police,
Force Intelligence Department (FID),
Nigeria Police Force,
Force Headquarters,
Abuja.

PETITION AGAINST RETIRED CG JAFARU AHMED AND OTHERS FOR OFFENCES OF AGE FALSIFICATION, FORGERY, CRIMINAL CONSPIRACY, EXTORTION, BRIBERY, AND BLACKMAIL

I write as concerned citizen to formally bring to your attention a severe case of institutional corruption, systemic forgery, criminal conspiracy, and compounding of felonies involving top retired and former CGP Nigerian Correctional Service (NCoS)—formerly Nigerian Prisons Service—alongside a petitioner turned blackmailer.

This petition is based on official correspondence, including a 2016 petition to the National Assembly and a recent demand letter dated February 18, 2026, which unearth a well-orchestrated syndicate designed to cover up official felonies through multi-million Naira financial inducements.

2. Statement of Facts

The facts undergirding this petition are structured as follows:

a. The Initial Forgery (June 2016): On June 3, 2016, a petition was submitted to the Speaker of the House of Representatives (8th Assembly) regarding the age falsification of the then-newly appointed Comptroller General of Prisons (CGP), **Jafaru Ahmed**. Official Nominal Rolls revealed he had claimed three distinct dates of birth to illegally extend his service run:

30/09/1956 (Per 2002 List of Senior Officers)

21/07/1957 (Per 2008–2011 Nominal Rolls)

21/07/1959 (Per 2014 Nominal Roll)

b. The Institutional Cover-up & Bribery: Following the submission of this petition, officials representing the Nigerian Correctional Service, acting on behalf of CG Jafaru Ahmed, initiated a criminal cover-up.

P.T.O

c. **The Intermediary:** One Mr. John Abutu (then with NCoS, currently with the NCoS Headquarters Intelligence Unit) acted as a proxy to buy off the threat. As a reward, he was compensated with a accelerated promotion to a level 8 officer.

d. **The Transcorp Hilton Conspiracy:** A secret meeting was subsequently brokered at the Transcorp Hilton Hotel, Abuja, between myself Ahmed Muhammed Tahir (the proxy/complainant), Rtd. DCG Sheu Kanguwa (Finance and Budget), and Rtd. DCG Filibus Bitrus (Procurements). At this meeting, an illegal settlement sum of N35,000,000 (Thirty-Five Million Naira) was agreed upon and paid to suppress the criminal investigation into CG Jafaru Ahmed's forged birth records.

e. **The Current Blackmail (February 2026):** On February 18, 2026, following a breakdown in their illicit terms or a desire for further extortion, Ahmed Muhammed Tahir issued a written complaint to the current Comptroller General of the NCoS, demanding further action/resolution within 7 days, failing which, threatens to expose the 2016 whistle-blow on the public media.

3. Offenses Committed and Sections of Law Contravened

The actions of the aforementioned individuals constitute egregious breaches of the Penal Code Act (applicable in the FCT/Northern Nigeria), specifically:

a. Forgery and Falsification of Official Documents

By altering official birth dates on government nominal rolls to unlawfully prolong public office service.

Contravention: Sections 363 and 364 of the Penal Code.

b. Criminal Conspiracy

The deliberate collaboration between Jafaru Ahmed, John Abutu, DCG Kanguwa, DCG Bitrus, and Ahmed Tahir to conceal a felony through monetary inducement.

Contravention: Section 96 of the Penal Code

c. Extortion and Blackmail

The execution of written letters threatening exposure of past misdeeds to extract undisclosed settlements or administrative actions.

Contravention: Section 291 of the Penal Code

4. Prayers

In light of the documentary evidence attached, we respectfully pray that the Deputy Inspector-General of Police uses your good office to:

a. Invite and Interrogate retired CG Jafaru Ahmed with regards the falsification of his date of birth.

b. Investigate Officer John Abutu of the NCoS HQ Intelligence Unit regarding his role as the initial proxy who facilitated the compromise of level 8 public service positions as hush-compensation.

c. Prosecute all individuals found culpable to serve as a deterrent against the institutionalization of corruption and blackmail within Nigeria's paramilitary services.

I have attached copies of the 2016 National Assembly petition detailing the forged dates of birth, alongside the February 18, 2026 letter written to the current Comptroller-General of the **Nigerian Correctional Service**-formerly **Nigerian Prison Service**.

While anticipating your prompt action toward sanitizing our public institutions, please accept the assurances of our highest regards.

Yours faithfully,

Ahmed Muhammed Tahir

The Honourable Speaker,
House of Representatives,
National House of Assembly,
National Assembly Complex,
Abuja.

Dear Sir,

Petition against the Appointment of the Comptroller General of Prisons with three different years of birth

With due respect sir, as a concerned citizen of our beloved country who joined fellow patriots to assiduously work for the enforcement of democratic values and constitutionalism in our national life wish to bring to your notice for urgent attention, a matter of national importance.

The miscarriage of justice inherent in the recent appointment of the comptroller General of Prisons (CGP) is a public knowledge. While it is the prerogative of the executive to appoint whoever it deems fit for service to our father's land, both natural justice and our constitution demand that such appointments should be people of high integrity and unquestionable character, which I believe are not in short supply in our country and the Nigerian Prisons Service in particular.

According to data culled from the Nigerian Prisons Service nominal roll and List of Senior Officers from the rank of Superintendent of Prisons (SP), Chief Superintendent Prisons (CSP) and above, it is on record that the New CGP has claimed three different years of birth in course of his career in the Nigerian Prisons Service. Thus, giving the noble responsibility of rehabilitating and Awaiting Trials and Convicts to someone who may (himself) need reformation, however, respecting the provision of our constitution moving forward, the new CGP should be under prosecution and not occupying the exalted office of the CGP of our dear country. Please take a cursory look at the table below:

Year	Date of Birth claimed	Source
2002	30/9/1956	List of Senior Officers from the rank of SP, CSP and above
2008	21/7/1957	Nigerian Prisons Service Nominal Roll Sokoto Command
2009	21/7/1957	Nigerian Prisons Service Nominal Roll Sokoto Command
2010	21/7/1957	Nigerian Prisons Service Nominal Roll Sokoto Command
2011	21/7/1957	Nigerian Prisons Service Nominal Roll Hqt
2014	21/7/1959	Nigerian Prisons Service Nominal Roll Hqt

In the spirit of anti-corruption campaign of the present administration, all hands must be on deck, so that, our President will be rescued from the hulk around him who ill advise him for their personal and selfish interests to the detriment of the larger society.

The beauty of democracy is the principle of separation of powers that exists among the three arms of government, which ultimately guarantees checks and balance among the arms of government.

In view of the foregoing, it is a call to duty for the House to ensure that any former member of the Nigerian Prison Service who is found to be guilty of the offence of sexual harassment, which was the main reason Nigerians witnessed the "CHANGE" mantra.

My prayers are:

1. The House should investigate the veracity of this petition by calling for the House Rules of the Nigerian Prison Service for years in contention.
2. Upon confirmation, the CGP should be stripped off his new rank and reinstated accordingly.
3. The Executive should be advised to do the needful in the interest of justice and fairness by appointing a credible CGP.

My prayers were based on the precedence of the decision of the Nigerian Judicial Commission (NJC) in the case of the two judges who doctored/falsified their ages reported on the Daily Trust Newspaper of 20th day of April, 2016.

This CGP was recommended for demotion by the House after his security detail assaulted and slapped a female lawmaker during the visit of erstwhile CGP Dr Peter Ekpendu to the Assembly complex as reported by The Daily Trust Newspaper of 20th day of April, 2016.

My Honourable Speaker sir, as the old saying opined "what is good for the goose is good for the gander" the punishment served on the judges should also be prescribed for the CGP.

All arms of government should not be in doubt, that using this approach in appointing the managers of our institutions, makes mockery of the Federal Government's change mantra, because similar things happened in various previous governments. The international community and indeed Nigerians are watching.

Kindly find the attached copies of photocopied documents for your perusal.

Please accept my honor and respect for you and your office!

Long live Federal Republic of Nigeria!

Yours faithfully,

Hassan D. Tukur (09080133355)
